Healthy Schools Fund Partnership Challenge Guidance Notes

Grants of up to £15,000 to help improve the health and wider wellbeing of children in primary schools

To give your school the best chance of success please read the following guidance notes and criteria carefully.

What is the Healthy Schools Fund Partnership Challenge?

The Partnership Challenge is a small grants pot for partnership projects involving at least one primary schools in Salford **and** one VCSE sector organisation. Up to four project partners (schools and VCSE organisations) can be involved in one project.

The fund may represent an opportunity to try a new approach. Remember we want to fund you to make a difference to your pupils.

Funding Criteria

- The Healthy Schools Partnership Challenge is designed to develop partnerships between schools and VCSE organisations in Salford. These new partnerships will work to engage families and communities in the life of schools and support the development of community assets that improve the health and wider wellbeing of Salford's children.
- VCSE organisations must deliver services in Salford for Salford children and their families.
- All applications must address one or more of priorities below:
 - ⇒ Increased numbers of children taking part in health and wellbeing activities
 - ⇒ Improved health and wider wellbeing of Salford's children
 - ⇒ Increased confidence of children
 - ⇒ Improved mental health and emotional wellbeing of children
 - ⇒ Increased family engagement in the life of the school
 - ⇒ Increased number of community assets operating in partnership with primary schools
 - ⇒ Increased community engagement in the life of the school
- Application must demonstrate Social Value
- Organisations, including partner organisations, who have applied for the Healthy Schools Fund (2017-18) or Healthy Schools Partnership Challenge (2017) can apply but this must be for a different activity.
- Organisations, including partner organisations, must have submitted all due monitoring from previous grants to Salford CVS.

Make up of partnerships

As this fund seeks to promote partnerships, bids of up to 4 partners in total are positively encouraged. Applications must contain at least one Salford Primary School and one VCSE organisation working in partnership. School clusters can apply where a lead school from within the cluster takes responsibility for the activity and monitoring and evaluation being carried out across the schools.

How much and deadline?

Please apply for the amount you actually need for your project and break these costs down in your application. You can bid for a maximum of £15,000 per application. All partners involved with the bid need to be clearly identified and contact details for provided. The deadline for this fund is **12.00 noon on Friday 19th October 2018**.

Late applications will not be considered.

Only one application per Salford Primary School or VCSE organisation can be submitted. The panel will be scoring your applications based on your answers to the questions below. Please read the guidance for each of the questions and be clear and concise in your answers.

N.B. We are unable to give money to the following: Individuals; any activities that promote the advancement of religion or politics; proposals that are in breach of equalities or other relevant legislation; activities or services that are delivered outside of Salford; applications from freelance consultants; improvements to land or buildings that are either privately owned or the responsibility of a statutory authority.

Non-school eligible organisations must:

- Be a member of Salford CVS (if you are not a member of Salford CVS please submit your completed membership form with your grant application form - if you do not do this your bid will not be considered).
- Have a governing document (e.g. Constitution), Management Committee and Bank Account (with 2 signatories who are not related to each other)
- Deliver services in Salford for Salford children and Innovation funded activity must take place solely in Salford and be closely related to schools
- Provide evidence that they meet the [Salford Safeguarding Standards](#).

Only one application per organisation can be submitted.

Please note all applications will be cross-referenced against other funding sources in the City to ensure projects are not being double-funded.

Application Form Guidance

Project Description

Please outline what you intend to do in the project and how you will deliver it. Remember to include details of how many sessions will be delivered and over what period (e.g. 1 x 2hr session a week for 10 weeks). Also describe who will be delivering the project (e.g. staff, volunteers, external sessional staff etc.)

Project Outcomes

It is vital that your project addresses the priority outcomes for children in Salford. If you feel you need assistance please contact Lucy Sutcliffe, Healthy Schools Development Worker (see below for contact details).

Maximising the benefits for Salford

We are keen to see all projects contribute to improving the social, economic and environmental wellbeing of Salford. This is sometimes referred to as 'social value'. By making small changes at the design stage you can make a big difference in helping creating added social value in Salford. For practical suggestions please see the 'Social in Salford' sheet on page 4.

About Project Beneficiaries and Sustainability

Please state clearly how many will be benefitting from this project in terms of both children and families. All health and wellbeing projects should be discussed with your school nurse; please give their details. Please explain how the project might be sustained beyond the end of this funding. Will there be a lasting impact?

About Money

Please apply for the amount you actually need for your project and break these costs down in your application. Please state any match funding that is supporting this work.

Deadline for applications

The deadline for this fund is 12.00noon on **Friday 19th October 2018**. Please email your completed application form and any supporting documentation to: grants@salfordcvs.co.uk You will receive an automated response to your application.

Useful information

This grant scheme supports the delivery of NHS Salford CCG's 'Locality Plan'. Please see the summary document on the following page. The full document can be viewed at: www.salfordccg.nhs.uk/salford-locality-plan

Need any help?

If you feel you need some advice or support please contact Lucy Sutcliffe, Healthy Schools Development Worker on **0161 787 7795** or email: lucy.sutcliffe@salfordcvs.co.uk The Grants Team can also provide advice. Please phone Ashley, Jon or Simon on **0161 787 7795** or email: grants@salfordcvs.co.uk

What do we mean by start well, live well and age well?

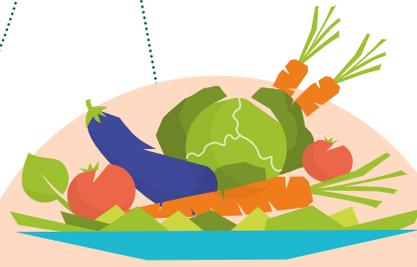

START WELL

I will grow up and achieve my potential in life, education and employment

I have parents/guardians who look after me

I am a healthy and active child

Mums breastfeeding (if possible), growing up with the right food and drink, opportunities to play and access to good schools are just some of the ways children can have the best start.

LIVE WELL

I take care of my own health and wellbeing and can manage the challenges life may throw at me

I am happy in life and feel supported by my family, friends and local community

My lifestyle helps stop any long term condition or disability getting worse and affecting my life

Having the skills to be in a good job with the accredited Living Wage and good working conditions will help you stay in good health.

Where you live – the quality of the housing, surrounding environment and even air quality – also impact your health.

AGE WELL

If I need it, I will be able to access high quality care and support

I know that when I die, this will happen in the best possible circumstances

I am an older person who is looking after my health and delaying the need for care

SALFORD TOGETHER

Is bringing health and social care provided by GPs, district nurses, social workers, mental health teams, care homes, hospitals and voluntary organisations to work together and give older people the support the need.

Calling all schools in Salford...

Unleash your creativity & go

Social in Salford

When **planning your project** have a think about how you can deliver your activities for the benefit of Salford

You could support wider community / voluntary organisations and independent local businesses by shopping locally and keeping the money in Salford!

You can also do your bit for the environment by choosing greener products as well as reusing, recycling or composting any waste.

You might be able to involve new or existing volunteers in the project or help staff develop new skills.

One way of describing these added benefits is 'social value'.

Spending for Social Value in Salford

Your budget can be used to make a difference across Salford. Here's a few ideas of how to turn your spending social:

Refreshments Will refreshments be healthy? Will you include vegetarian, vegan, kosher and halal options? Will you be supporting local, independent shops or businesses?

Promotional material Have a think how you can support local printers or suppliers. Will you be using recycling paper, card or other materials?

General merchandise Whilst the vast majority of merchandise is manufactured in the far east, you can still do your bit for Salford and support local suppliers and shops.

Awards and Certificates These could be hand-made by local people, and reflect the culture of Salford.

Venue Hire Hiring community owned or managed venues helps maintain Salford's important assets.

...plus lots of other amazingly creative ideas from your project team!
