The History of Salford CVS

Background

Salford CVS began life in 1919, as part of Manchester and Salford Council for Social Service (MSCSS). The organisation covered the twin cities of Manchester and Salford and was established to support local people by coordinating relief efforts and taking practical action in the aftermath of World War One.

Salford Council for Voluntary Services was established in Salford in 1973, in response to local authority changes, when MSCSS split into two organisations – Salford CVS and Manchester CVS. Originally operating as a co-operative, the structure began to change in 2001 when it appointed its first Coordinator, closely followed in 2002 with its first Chief Executive Officer. The organisation was incorporated as a Company Limited by Guarantee in 1985 and registered as a Charity in 1988. In 2008, the organisation was renamed **Salford Community and Voluntary Services (Salford CVS)**.

Our role in Salford

Salford CVS is the city-wide infrastructure organisation for the Voluntary, Community and Social Enterprise (VCSE) sector in the city of Salford; providing specialist information, advice, development support and opportunities for influence and collaboration. We provide support for organisations to establish and develop including training for their staff, volunteers and trustees.

Via our Volunteer Centre, we provide support for individuals who want to volunteer and assistance for organisations with developing their volunteering programmes.

Salford CVS has a proud history of making a difference in Salford for over 100 years. We are a well-respected partner in this city and have excellent relationships with both VCSE and public sector organisations. We are financially stable with a clear business plan and a highly skilled, motivated staff team. As a membership organisation we work hard to address the needs and represent the interests of our over one thousand Voluntary, Community and Social Enterprise (VCSE) member organisations.

The organisation is governed by a Board of Trustees who are elected by members at our Annual General Meeting. The Board comprises of people who predominantly live and/or work in Salford and who have relevant skills and experience to share. Each year the elected Board appoints a Chair, Vice Chair and Treasurer from amongst its Trustees.

Our role in Greater Manchester

We play a strategic role in the Greater Manchester city-region, where we are founder members of the GM VCSE Leadership Group, created in response to devolution. We are founder co-owners of the 10GM partnership (www.10GM.org.uk), alongside Action Together, Bolton CVS and Macc; and work closely with all of the local infrastructure organisations in Greater Manchester.
