

Salford CVS Annual Conference

Live Well – What would it take for everyone in Salford to be able to Live Well

Snapshot Report

Visual minutes

Take a look at some of the visual minutes from the day to get an idea of the important discussions that took place at our conference:

Feedback highlights

What difference has attending the conference made to you and your organisation?
What did you gain?

"Deeper understanding of Live Well and what it wants to achieve. Having Wigan Council present was very interesting, to know they are looking at not reinventing the wheel and transformational change"

"Very aware of the connectivity of policy, new initiatives and how it impacts on my organisation, thank you!"

"Better understanding of those involved in Live Well and it's purpose and current status."

"It helped me meet like-minded people and appreciate the complex political and financial realities facing communities and the VCSE sector, reinforcing the need for collaboration and shared purpose."

Social Media

Workshops

(Community) Power to the People

Forget consultation, what does community ownership and wealth building actually look like?

Get Britain working?

The government is investing in Greater Manchester to tackle what they call 'economic inactivity'.

Community Anchors

What makes the good, the bad and the ugly?

Community Connections

How do you join the dots between people and their communities?

Homes for change?

Alternative housing options

What counts as work?

Carers in the informal economy, self-employment, wages for housework, Universal Basic Income.

One stop shop, or a muddled mess?

The great conversation.

Is living well a myth?

How can we live well when there are so many others who cannot?
