Support at your own pace

Drop in between 9-1 at a time that suits you, and get help with the things that will really make a difference to your life.

No reason too big or small

Our teachers have years of experience supporting people get the most out of their digital devices, and will be able to meet you at your starting point and work from there.

Bring your own device or use ours

Whether you bring your own phone, tablet or device, or use one we have at the centre, we will support you every step of the way.
