## Salford Centenary (2026)

2026 marks one hundred years since Salford was officially granted city status by a Royal Charter by King George V.

Today, Salford is constantly evolving, with an exciting future as a thriving cultural, economic, and residential city on the global stage.

Over the last decade, Salford has undergone a remarkable transformation, emerging as a modern global city, attracting record public and private investment, and becoming an engine for growth in Greater Manchester.

Salford City Council has set aside up to £390,000 to support community led activity as part of the Centenary Programme, to ensure communities are supported to be fully involved and that the celebrations are firmly based in our communities and neighbourhoods.

Further information about Salford 100 can be found at [www.salford100.org.uk](http://www.salford100.org.uk)

## What is the Salford Centenary Fund?

Through the [communities programme](#), Salford City Council is looking to support local community groups and organisations, across the eight Salford neighbourhoods, to host their own celebration events and activities.

# Important considerations when planning an event

## Holding an outdoor event on public/council land

Organisations in receipt of a large grant **over £1,000**, wishing to hold an event in a public park, green or open space, on the highway, or on council land, must follow the Salford City Council [event application process](#).

Decisions on event applications can take several weeks to be approved. For this reason, any outdoor events which come under any of the above conditions will not be able to take place before mid-April. Should there be concerns over the availability of the venue you have chosen, alternative venues may be discussed with you when your application has been received.

Grant holders must be ready to submit an event application (if applicable) as soon as the funding has been awarded. Please note, prospective event applications (i.e. before funding has been awarded) will not be accepted.

## Food hygiene and safety

Food supplied, sold, or provided at outdoor events must comply with food law and be safe to eat. For further details see the web pages below.

- To fund applicants who have not been funded before, or who have not received funding from Salford CVS in the current financial year
- Where the applicant has a poor or weak monitoring track record for previously funded work

#### Example

You are applying for funding for a community tree planting project. The main aim is to bring people together and mark Salford's 100 years; however, the project also has additional benefits for Salford:

- It supports the **natural environment**, by planting trees, flowers and vegetables.
- It supports the local economy and VCSE sector, by ensuring the services and materials that are bought in are sourced from **local independent businesses and fellow VCSE organisations**.
- It increases local people's employability, by providing **training opportunities** for staff.
- It supports people to give back to their community through **volunteering**.

#### Purchasing from local independent suppliers

As leading member of the Social Value Alliance, Salford CVS wants to ensure that as much of its grant monies as possible are spent in Salford. If possible, please try and avoid large chains or corporations, and especially Amazon who have been identified as the [worst company for aggressive tax avoidance](#) which deprives our

government of much-needed funds for schools, hospitals, local services etc. If you do feel pressured to occasionally use Amazon, then buy from Amazon Marketplace which supports independent suppliers.

**Question 27)** – Give details of what legacy or lasting impact your activity will have for your community. This might be a physical change, item or creation, or may be skills, or a community spirit that has been fostered through the project.

## About the money

### Question 28) – Budget (Excel spreadsheet)

Please give an accurate breakdown of your project costs by describing each item. You'll need to research some prices or obtain quotes (i.e. you can't just guess the costs). Please break down your calculation so we can see how you've arrived at the cost for each item. See some examples below.

#### Example 1

**Acceptable:** Venue hire – 4hrs/week @ £10ph x 10 weeks = £400

**Not acceptable:** Venue hire – £400

#### Example 2

**Acceptable:** Refreshments @ £1.50/person x 10 people x 10 sessions = £150

**Not acceptable:** Refreshments = £150

#### Example 3

**Acceptable:** T-shirts @ £10 each x 5 staff = £50 + £5 delivery = £55

**Not acceptable:** T-shirts = £55
