Making a difference in Salford

Barbara Bentham

Salford CVS Trustee

What motivated you to become a trustee for Salford CVS?

I have always been aware of the brilliant work SCVS do supporting our Community and Voluntary sector since I have been employed by a local organisations for over 20 years. When I was elected in 2016, I became the Council's ambassador on SCVS' board and following that I became a trustee.

Thank you to our trustee Barbara for your continued support!
