Salford CVS
Making a difference in Salford

Yen Tan

Salford CVS Trustee

What motivated you to become a trustee for Salford CVS?

Having graduated from Salford University and dedicated myself to community projects serving Salford's people, I feel a deep connection to the city. Becoming a trustee felt like a natural way to give back and strengthen the community I care so much about, alongside Salford CVS, a wonderful organisation that shares this commitment.

Thank you to our trustee Yen for your continued support!
