

CALLplus

CALLplus is a local charity providing emotional support and home-based practical help to people with cancer and other life-limiting illnesses, along with those closest to them, such as family, friends and carers.

We can offer someone to talk to confidentially about cancer, along with home visits, social events and practical assistance, for example help with shopping, as well as support at hospital appointments.

CALLplus works in the Greater Manchester area. Our services are delivered by specially trained volunteers who are managed by a team of professional staff.

Essentially support to carers tends to be short respite sessions, signposting, help with shopping & prescriptions and transport to Clients' medical appointments.
