## SPORT & RECREATION

### Sporting Capital Loan Fund

**Aims/priorities:** The Sporting Capital loan fund is England's first social investment fund focused on the sports sector to support the development of community sports organisations and organisations that deliver impact through sport. Our goal is to help these organisations to become sustainable; using our investment to support the development of new, or retain and expand existing, revenue streams. The loan funding will be used to help organisations develop new projects, operations and revenue streams. Whilst every organisation's needs will differ, we expect the funding to be used for projects and activities such as:

- Equipment to support revenue streams
- Recruitment, training and deployment of staff and volunteers
- Equipment to support business functions, including finance, project management and governance
- Other operating costs

So, for example, we cannot fund the "bricks and mortar" of a capital redevelopment such as a new roof, but we would consider investment to support a community café (new revenue stream). This could include café kit and equipment, training deployment of new staff and volunteers, management support to get the café operating and funding towards marketing the new venture.

**Who can apply?** Organisations that make a difference, or plan to make a difference, to individuals

or local communities through sport. And these organisations are looking to do this sustainably by developing existing revenues, or creating new ones, to support their ambitions.

**Grant amount:** The £3m Sporting Capital Fund provides loan funding of between £50,000 and £150,000 to eligible projects. The simple, repayable, unsecured loans will be tailored to meet the needs of each organisation and will be repayable over 3 to 5 years.

**Application process:** Complete the on-line form to determine how 'investment ready' you are

**Deadline:** on going

## Comic Relief: Safe, secure, settled

**Aims/priorities:** Comic Relief are interested in supporting a wide variety of projects and welcome bids from a diverse range of organisations. They are looking for creative approaches to support young people without a safe or secure place to live. All proposals must use sport as a tool for social change in their approach.

Comic Relief believes that projects developed and delivered in partnership with the people they aim to support will be more effective in creating positive social change. Projects like this are more likely to respond to the priorities of the people they are trying to reach and be more able to identify appropriate solutions. They may also benefit from greater accountability and legitimacy, and by empowering people to be part of the process, have the potential to build confidence and strengthen community cohesion.

**Who can apply?** UK based not-for-profit organisations can apply.

**Grant amount:** Applications are welcome for a minimum of £100,000 and a maximum of £500,000, over a period of between two and four years.

**Application process:** An online application form and guidance information can be found on the Comic Relief website.

Groups with the strongest proposals will be shortlisted to go through for a full assessment.

**Deadline:** The deadline for applications is 14 June 2018 (midday). Applications that are made earlier in the process may be reviewed before the deadline.
