Little Hulton Big Local's vision is 'to Unite Little Hulton as a Community and to Enhance Local People's Wellbeing.' It has one million pounds to invest to achieve its vision, and does this in a variety of ways including celebratory events. On Saturday 18 August 2018, and in partnership with other local groups, LHBL delivered the Spirit of Little Hulton Festival in Peel Park www.salfordcvs.co.uk/little-hulton-big-local
