I want it to be free - like do what ever you want. But have boundaries to keep us safe

### WHAT WOULD YOU LIKE MORE OF?

out-door stuff

Better Play Area  
More things  
walking - like  
who kids get  
bored when  
there's only one  
thing walking

activities  
and  
more  
talking

More people  
having  
conversations

Get rid of litter  
because it could  
cause accidents  
and elderly people  
won't be able to get  
where they want to  
go.

Boxing  
& Corner asten

Digger Walk way +  
rooms for wheel chair  
Place for wheel chair  
+ bikes

Safe -

Things that make  
me feel safe are  
friends.

Building should be  
colourful + fun Bright + well light

Not... Scary, creepy  
dark.

Football pitch  
without glass +  
at the moment the  
fence is too small.

Make ~~the~~ craft  
things to do with the  
seasons like Christmas  
decorations.

WHAT WOULD YOU LIKE TO DUMP?

WHAT WOULD YOU LIKE TO CHANGE?

behavior  
because  
they always  
sweat and  
+ more cars  
+ parents.

I would  
like to change  
the behaviour  
because they  
are people who  
are c... and  
making  
people  
feel  
unwelcome

More <sup>park</sup> seats  
lights  
more  
safe!

time for people in  
primary to hang  
out and high school  
people hang out.

Music  
with decent  
speakers

I'd  
like to feel  
safe and  
welcome when  
it's dark

Music and  
(But with  
working  
speakers.

Some of the  
playground stuff  
is broken - fix  
it and make  
it better for younger  
kids like my <sup>middle</sup> sister

I want it to be free - like do what every you want. But have boundaries to keep us safe

Get rid of people dropping litter because it is going to be messy or can cause accidents

The way people act in the building would make me want to go. polite, fun, joyous.

**EET**  
vegetarian food  
meatballs  
lasagna  
pizza - that you can make yourself  
add your own toppings etc.  
make sure it's not allergic

MORE OF?

More people having conversations

Get rid of litter because it could cause accidents and elderly people won't be able to get where they want to go.

of the way

friendly  
staff having in accepting people's needs  
(calm) - not doing art is quite calm  
Ranger song - musical + drama - dancing.

I don't think the word "thankful" as it means you're a place where you respect the people and feel accepted.

I don't think you need more people that go here. There's a lot of different ways that the building is made sure they get involved. And help come up with the rules.

Prayer Hall way + rooms for wheelchairs  
Place for wheelchair + bikes

My word is connected because it feels sometimes you're not in the conversation or joined in the game that you do. It'd be great to have been-hops + stuff so you can chill + chat with your friends
