Welcome from our Chief Executive

Hi, thanks for considering a role at Salford CVS.

Salford CVS has a long and proud history of making a difference in Salford – we were established in 1919! Our last State of the VCSE Sector research in 2021 showed that there are over 1,600 VCSE groups and organisations in the city, supported by over 7,000 paid staff and almost 62,000 volunteers. With a backdrop of pandemic recovery and rising costs of living their services and support of them has never been more needed.

I've been in post since 2013 and during that time I have led the development and diversification of the organisation and what we do. Alongside prioritising delivery of all of the key services associated with a CVS and Volunteer Centre, we also lead / participate in a wide range of other activities and programmes, including Wellbeing Matters (Social Prescribing) and Answer Cancer (Cancer Screening Engagement), to name just two.

I'm telling you all this because I'm keen to employ someone for this role who cares as much about this city, our sector, the diversity of our work and the people who live and work here as we all do.

We have a vibrant and multi-skilled team of paid staff here at Salford CVS, ably supported by our Board of Trustees and other volunteers. Our values of Passion, Innovation, Quality, Cooperation, Diversity and Impact and associated commitments are central to everything we do. Our team of 40+ paid staff come from a variety of backgrounds and experiences; what unites us all are those values and our commitment to our mission of 'Making a Difference in Salford'.

Thank you for your interest – and I really do hope you will consider becoming a member of the Salford CVS team. Good luck!

Regards

Alison Page
