

BE A TRUSTED VOICE FOR SALFORD

Spirit of Salford Trusted Voices Champions support our communities by sharing official health information and coronavirus guidance. Keeping our communities well informed will help stop the spread of infection.

How it works

- Every week we will send you a link to the latest coronavirus information
 - You share this information with your family, friends, work colleagues and neighbours
 - Tell us your ideas and provide feedback from the community to help improve Covid messaging
- 

Get involved

If you live or work in Salford you can become a Trusted Voices Champion. You do not need experience. Sign up on the Salford CVS website: <https://bit.ly/GiveTimeSalford>

If you have a query get in touch on volunteer@salfordcvs.co.uk
