Introduction

Salford CVS is the city-wide infrastructure organisation for the voluntary, community and social enterprise sector; providing specialist information, advice, development support and opportunities for influence and collaboration. Volunteer Centre Salford is one of the services offered by Salford CVS. It works to promote positive volunteering in Salford. It provides a range of services to both potential volunteers and we work with voluntary, community, social enterprise, public and private organisations.

The Volunteer Centre Salford is the city's only accredited Volunteer Centre, meeting the five standards of the VCQA quality assurance scheme, administered nationally by NCVO.

Statement of Intent

Salford CVS and Volunteer Centre want volunteers to be involved in our organisation to work alongside members of staff to enhance the services that we offer. Volunteers will not replace paid staff but their input will enable us to provide a better quality of service through the diversity, skills and experience that volunteers bring. The organisation will treat volunteers fairly and equally.

Salford CVS and Volunteer Centre Salford have jointly signed up to the Salford Volunteer Charter. The Charter sets out the commitment of organisations in Salford to acknowledge the rights and responsibilities of volunteers, and to recognise that they are an essential and invaluable part of the work they do. By signing up to the Charter we are showing that people volunteering with us can do so within a positive and supportive environment.

Salford Compact – Definition of Volunteering

Problem Solving Procedure

This procedure will be included in the volunteers' handbook which is given to volunteers as part of the induction process.

All problems and complaints will be resolved openly, fairly and quickly to:

- Protect volunteers
- Safeguard and protect the people we support
- Minimise disruption to staff, volunteers and service users
- Protect the reputation of Salford CVS and Volunteer Centre Salford

We hope that problems and complaints can be dealt with collaboratively after they are highlighted to the volunteers named supervisor or other member of staff where appropriate. However, if this is not possible or appropriate the procedure below will be followed.

Complaints raised by a volunteer

All complaints will be treated confidentially

Step 1

If a volunteer has a complaint that they wish to raise, they should speak to their supervisor to raise the issue formally. If the complaint relates directly to the supervising member of staff or the volunteer feels unable to discuss this with them, the matter should be raised in the first instance with another appropriate member of staff.

Step 2

A meeting will be held between the volunteer and the volunteer's supervisor or another member of staff where appropriate. Notes will be taken of the meeting and a course of action will be agreed.

Step 3

If the volunteer is not satisfied with the outcome of their complaint they need to contact the Services Manager. The Services Manager will investigate and respond within 14 days and will arrange to meet the volunteer to resolve the matter. The decision of the Services Manager will be final.

A volunteer who is making a complaint has the right to be accompanied or represented by an appropriate person of their choice.

Complaints about a volunteer

Each stage of this procedure will be treated confidentially and only discussed with those immediately concerned.

Step 1

If there is a complaint about a volunteer, the volunteer's supervisor will investigate. The volunteer's supervisor will discuss the complaint with the volunteer and try to resolve informally. It may be that more support is needed or a training need may be identified. Matters such as these can be easily resolved.

Step 2

If the issue cannot be resolved informally, a formal meeting will be held between the volunteer and their supervisor. Notes will be taken of the meeting and a course of action will be agreed to resolve the situation.

Step 3

If the situation is not resolved, the Services Manager will write to the volunteer, outlining the reason for the complaint. A meeting will be held between the Services Manager, the Volunteer Supervisor and the volunteer. The volunteer has the right to be accompanied by an appropriate person of their choice. Outcomes can range from further objectives being set and support being given to their volunteering being suspended or terminated. Termination will always be a last resort. This decision is final.

If a serious complaint is made about a volunteer, for example abusive or threatening behaviour or a safeguarding concern, the volunteer will be suspended from their role immediately pending further investigation. Step 3 will then be followed and. If the complaint is confirmed the individual's volunteering will be terminated. This decision is final.

Each stage of process will be kept confidential and only discussed with those immediately concerned.

The Problem Solving Procedure will be followed if actions or attitudes are displayed which counter to the policies, procedures, aims and objectives of Salford CVS and Volunteer Centre, which endanger the safety and wellbeing of others, are in any way abusive or threatening, or bring the organisation into disrepute,

The Volunteers Supervisor will decide whether or not to suspend the volunteer instantly pending investigation.

Confidentiality

Volunteers must abide by Salford CVS practice with regards to confidential information about people who use our services. Confidentiality will be discussed at the recruitment interview.

Finishing Volunteering with Salford CVS and Volunteer Centre Salford

When a volunteer decides to leave they will be invited to complete an exit questionnaire to discuss and evaluate their volunteering and reasons for leaving in private, with an appropriate member of staff, if they wish to do so. This is to enable us to improve our service to volunteers in the future.

Salford CVS will provide a detailed reference for all volunteers who request one providing they have been regularly volunteering for a minimum of 3 months.
